

LOUDER'S PRIVACY AND COOKIES STATEMENT

INTRO

- Welcome to **Louder Entertainment's** Privacy and Cookies Statement! You might be viewing this through our website or mobile application (which we'll collectively call our "**Platform**" for short).
- We care about being transparent with you about what information we collect when you choose our events and how we use that information. It's important to us that we give you as much choice and control over your information as we can.
- Here, we explain the ways we collect and use your information when you browse or engage with our Platform, purchase tickets to the festivals and events that we organise (the "**Events**"), purchase or engage with other goods or services that we offer or otherwise interact with us. We also explain the different rights you have over your information.
- In this Privacy and Cookies Statement, when we refer to "**you**" and "**your**" we mean you, the person using the Platform or attending an Event or otherwise interacting with us.

AGE

- Please refer to the Event's Terms and Conditions to check the Event's age policy. If the Events you are attending or are interested in allow people under the age of 18 to attend (with an accompanying adult) and you yourself are under 18, you must have the permission of your parent or legal guardian ("**Your Adult**") to use our Platform and only Your Adult will be able to purchase tickets for the Event. You should also make sure that Your Adult reads this Privacy and Cookies Statement.
- If you are a parent or legal guardian and believe your child has given us information in a way that is contrary to these guidelines, please contact us using our contact details below.

INFORMATION WE MAY COLLECT ABOUT YOU

INFORMATION WE COLLECT FROM YOU DIRECTLY

Newsletters

- If you register for one of our newsletters or request any advance information about our Events or services (such as access to pre-registration or early bird tickets), we will collect your name and contact details.

Purchases

- If you make a purchase with us (whether for an Event ticket, Event package or any other goods and/or services) we'll collect any information necessary to provide you with your purchase. For example:
 - we'll typically ask for your name, age, email address, account password, date of birth, and payment details so we can process your Event ticket purchase, deliver your ticket and/or your cashless payment wristband to you. We may also request Your Adult's details (if applicable) or other emergency contact information;
 - we'll collect information about any particular requirements you may have in order to gain access to an Event: this may mean providing us with information about your physical health or similarly sensitive information;
 - if there are circumstances where we need to verify your age for entry to an Event or for fraud prevention and detection, we will ask for proof of identity and age (such as a driver's licence or passport); and
 - we may (if applicable), collect additional information specifically relevant to the goods and/or services that you are purchasing. For example: if you buy a Park & Ride ticket we might ask for your vehicle registration number to manage vehicles at our Events, or if you choose a glamping experience we might need your credit card details for your damage deposit.

Promotions and Surveys

- Every now and again, we might invite you to participate in competitions, promotions or surveys. We'll collect information so you can participate in these and deliver the prize if you win: this will include details such as your name, age and email address and any other information you provide in connection with your promotion entry and/or survey response.

Health and welfare

- If you ever need to visit one of the health and welfare tents or facilities at one of our Events, you might need to give certain health or medical information which may be considered sensitive information. Sometimes, these services will be managed by a third party at the Event and not us, in which case we won't have control or visibility of the information you give and this Privacy and Cookies Statement won't apply.

INFORMATION WE COLLECT FROM YOU INDIRECTLY

Communications

- If you contact us through the live chat functionality on our Platform (if applicable), through one of our online forms, or our social media channels, by phone or email, we may keep a copy or record of that correspondence.

IP address and device information

- We will collect certain technical information about your device visits to our Platform and how you use the Platform. This may include your IP address, geographical location, device details such as your IMEI number, the MAC address of the Device's wireless network interface), browser type, referral source, length of visit, operating system, number of page views and similar information. This information may be collected by a third-party analytics service provider on our behalf and/or may be collected using cookies. For more details about cookies please see the specific section below.

Cashless payment wristbands at our Events

- If cashless payment wristbands (or other similar technologies) are used at an Event, they will allow you to make cashless payments (such as food and drink) and/or provide you with access (such as entry to the festival or VIP areas). If you use a cashless payment wristband, we may collect certain information about your interactions at, and engagement with, the Event and our event partners. For example, we may know which stands, tents or sponsors you visited and what purchases you made at the Event. We do this to provide you with a more interactive and enhanced festival experience, such as informing you about nearby happy hours or secret parties, by sending you an SMS or push notification from our Event mobile app (if applicable).

Email Response Information

- We might collect information about how you react to the emails we send to you, for example, how many times you open the email or if you engage with its content (for instance, by clicking on any links within it).

Social Media and Information you post online and reviews

- We might collect information relating to any social media posts or comments you share online about our Events that are in the public domain (for instance, if you leave a review about our Event on a third-party social media site like Facebook). If you leave a comment or review on one of our social media official pages (such as through our Facebook, twitter or Instagram accounts), we may use this information to respond to your posts. We are not in control of these third-party platforms and you should refer their privacy notices if you want to know more about how they use the information you share online.

INFORMATION WE GET FROM THIRD PARTIES

Ticket agents and service providers

- We will collect information about you from third parties that we work closely with so we are able to deliver the goods or services you have requested. For example, we might

work with a ticket agent who will sell you a ticket to our Event. In those circumstances, they might give us your details so we can provide you with access to the Events you bought tickets for, or other ancillary services. We might also use third-party companies to manage our payment systems or Platform, they may collect information directly from you on our behalf.

Our other festivals and live music events

- We might receive information about you (such as your name and email address) from other festival and event entities within our group if you have indicated that you wish to hear more from our events, goods and services.

Signing in through Social Media

- When you register for an Event on our Platform, we might offer a quick registration option through your existing social media accounts. If you sign in through your social media account, we may get certain information (such as your profile name if register through your Facebook account) in accordance with your privacy settings on that social media site. You should read the privacy statements and check your privacy settings of those social media sites to learn how they treat your information.

Other third-party sites

- We might receive information about you from other third parties where you have agreed to them sharing your information with us for specific purposes (such as marketing).

HOW WE USE INFORMATION THAT WE COLLECT ABOUT YOU

We may use your information for the following purposes:

COOKIES

We use cookies to ensure that you get the most out of our Platform. Cookies are small amounts of information in the form of text files which we store on the device you use to access the Platform. Cookies allow us to understand your use of the software and simplify your use of the Platform. For example:

- A temporary cookie is used to keep track of your "session". Without that temporary cookie (which is not stored after you quit your browser) you would have to log on every time you access a new page.
- A persistent cookie is stored on your device. They help us provide you with user preferences, settings and information for future visits on our Platform. Persistent cookies allow convenient and easy access to familiar variables such as facilitating preferences such as favourites, bookmarks or language preferences. They can also be used to assess browsing behaviour.

Different types of cookies do different things, such as:

- Absolutely necessary cookies are necessary to enable you to navigate through our Platform and use its features. Without these cookies, you would not be able to check out any Event tickets in your basket.
- Performance cookies collect information about how you use our Platforms. These cookies collect the Internet browsers and operating systems used, the domain name of the website previously visited, the number of visits, average duration of visit, and pages viewed. These cookies don't collect information that personally identifies you and only collect aggregated and anonymous information. Performance cookies are used to improve the user-friendliness of a website and enhance your user experience.
- Functionality cookies enables our Platform to remember choices you make (such as your username or ID, language preference, or the area or region you are in) and provide enhanced, more personal features. They can even remember changes you have made to text size, fonts, and other customizable parts of web pages. They may also be used to provide services you have asked for, such as watching a video or commenting on it. The information these cookies collect may be anonymised, and they cannot track your browsing activity on other websites.
- Targeting and advertising cookies track browsing habits and are used to deliver targeted (interest-based) advertising. They can also limit the number of times you see an ad and to measure the effectiveness of advertising campaigns. They are usually placed on our Platform by third party advertising networks with our permission. They remember that you have visited a website and this information is shared with other organisations, such as advertisers.

Managing cookies

- You can manage website cookies in your browser settings, and you always have the choice to change these settings by accepting, rejecting, or deleting cookies. If you choose to change your settings, you may find that certain functions and features will not work as intended on the Services. All browser settings are slightly different, so to manage cookies, you should refer to the relevant settings within your browser.

THIRD PARTY CONTENT, SITES AND CONTRIBUTORS

- Our Platform may contain content and links to other sites that are operated by third parties that may also operate cookies. We don't control these third-party sites or cookies and this Privacy and Cookies Statement does not apply to them. Please visit the terms and conditions and Privacy and Cookies Statement of the relevant third-party site to find out how that site collects and uses your information and to establish whether and for what purpose they use cookies.

HOW WE LOOK AFTER YOUR INFORMATION AND HOW LONG WE KEEP IT FOR

- We use appropriate **technological and operational security measures** to protect your information against any unauthorised access or unlawful use. However, transmission of

information over the internet can be insecure, which means we are unable to completely guarantee the security of information sent over the internet.

- We'll keep your information for **as long as is necessary** to provide you with the services that you have requested from us, to market to you (if applicable), to enforce or defend our legal rights, or in accordance with any legal obligations to which we might be subject.

WHERE WE STORE YOUR INFORMATION

- We might transfer your information to a country which is outside the European Economic Area (EEA). If we do, we'll ensure that your information is protected in accordance with our obligations under applicable data protection laws including, if appropriate, putting in place any necessary contractual arrangements with any recipients of your information outside the EEA.

YOUR RIGHTS AND CHOICES OVER THE INFORMATION WE HOLD ABOUT YOU

You have certain rights in respect of the information that we hold about you, which we value. These rights include:

- the right to **ask us not to use your personal data** for marketing purposes (remember, you can unsubscribe from any marketing by clicking on the "unsubscribe" in any marketing communication you receive or contact us using the details below);
- the right to request **access** to the information that we hold about you; and
- if you believe the information that we hold about you is wrong, you can ask us to **correct** it.
- At any time, you may request for us to delete your data from our system by sending a request via email to support@ticket.furiosa.es. You will be automatically assigned a unique ticket number. Your request will be fully dealt with within 7 working days.

You may exercise your rights above by contacting us using the details below.
